

WINDSOR SIXTH FORM SUMMER WORK

A Level and BTEC Dance

Your aim is to watch as much professional dance as you can either on TV, the internet, or rent DVDs from the library, you can also buy or rent certain DVDs from Amazon. The cinema also has showings of dance, usually ballet.

Create a Google file which has reviews of the pieces you have watched (you'll find these online from The Guardian, The Times and other newspapers) and write a paragraph or more on your analysis and interpretation of the piece. It doesn't matter if you only get to see a short version of a piece – tell us what you thought of the section you watched and the themes you felt were being portrayed.
