27 January 2022 Bulletin (Issue 9)

Dear Parent/Carer

This week students participated in their second Character Development Day. Students were fantastic in the first aid sessions. West Midlands Fire Service also delivered a presentation on road safety and Worcester University spoke to our Year 13 students about university life. Students engaged well in all the sessions.

I would like to congratulate all of Year 13 in successfully meeting the UCAS deadline with 112 students sending off an application to university. Students will now be in the process of picking their final choices for universities as they receive their offers and start completing the student finance applications. If any students should require any further support with this process please see Mrs Pedley.

A small number of our Year 12 students participated in The Brilliant Club seminar this week. The students engaged well in the session and were great ambassadors of the Sixth Form.

Congratulations to the girls netball team who won their first game of the season and to the boy's football team who also won their match. We are very proud of you all!

If you have any further questions please do not hesitate to contact me.

Kind regards

Mrs J Dhanoya
Assistant Headteacher

A reminder about the importance of taking and reporting Lateral Flow Test results

We continue to strongly encourage all our community to test twice weekly at home and to report all the results to us in school and to the NHS. This is designed to catch any possible cases of Covid-19 at the earliest stage and reduce the chances of transmission in school.

When reporting a positive Lateral Flow Test result or positive PCR can you please ensure that when calling into school / leaving a message on Parentmail you provide the school with the following information to enable us to report cases accurately:

- Date of symptom onset
- Symptoms
- Date of positive LFT
- Date of positive PCR (if applicable)

If your son/daughter requires extra lateral flow test kits due to them testing regularly as a close contact to a positive case, please ask them to collect these from Sixth Form Student Reception.

Face Coverings

Further to the Prime Minister's decision to move the country away from plan B, last week we removed the recommendation for our students to wear face coverings in the classroom. However as part of our risk assessment and advice from Public Health considering the volume of Covid-19 in our area, we have decided to continue advising the wearing of face coverings in corridors and communal areas where social distancing is difficult.

This will be reviewed on a weekly basis and communicated to you via the newsletter as usual.

Windsor Sixth Form Dress Code Reminder

Windsor Sixth Form students are asked to adopt a smart, stylish dress code. There should be a clear difference between what is worn inside and outside of sixth form. A copy of our Windsor Sixth Form dress code is attached to this bulletin.

National Apprenticeship Week Coming Soon 7th - 11th February

University Hospitals Birmingham Trust Work Experience Programme

We are excited to announce the largest free national Work Experience programme for aspiring medical, dental and veterinary students. This was developed last year in partnership with Birmingham Universities Hospitals Trust and it is free for students from Year 10 - Year 13.

Participation in the virtual Work Experience will also provide students (and parents) with several opportunities to speak to doctors, dentists and vets continuously throughout the academic year. They will be able to do this on Tuesday evenings and most weekends, for free. They can also call the Mentor Helpline number 01530 417 299 from 10am - 5pm Mon-Fri if they would like to advice on careers or applying to medical, dental, vet school. This number is mostly manned by Doctors. Medic Mentor is a non-profit social enterprise and all of our proceeds are reinvested in supporting students to make informed career decisions.

Registering for these programmes could not be easier, all you need to do is complete the free online application form below for:
