4<sup>th</sup> March 2022 Bulletin (Issue 10)

Dear Parent/Carer

I hope all students had a restful half term break. We are now only five weeks away from the Easter holidays. These weeks will pass by very quickly in a busy Sixth Form. We will then enter the examination season. The second set of Year 13 trial examinations start on Friday 11<sup>th</sup> March. This is an opportunity for staff to assess the progress the students have made since the last trial exams.

During tutor time, Year 13 will have the opportunity to develop their study skills and revision resources. If you have any concerns with regards to your son or daughter's revision please contact Mrs Pedley in the first instance.

Finally, our Higher Education and Careers Fair will take place on the 23<sup>rd</sup> March from 6pm - 8.00pm. This evening will give students and parents a chance to speak with a range of universities as well as attend talks delivered by various universities. Students will also be able to speak to a range of other training providers and careers representatives such as West Midlands Police. I am sure that the evening will provide a valuable insight into the opportunities available Post 18. A poster giving further details of the event is attached to this bulletin.

If you have any further questions, please do not hesitate to contact me.

Kind regards

Mrs J Dhanoya  
Assistant Headteacher

## Covid-19 Systems and Procedures

As you are aware, legal restrictions implemented in response to Covid-19 came to an end last week. A letter was sent via Parentmail explaining what this means for staff and students. We will continue to maintain high levels of hygiene and cleaning regimes in school and undertake weekly risk assessments. Should there be a need we will liaise with Public Health England and keep you updated accordingly.

## UCAS - Next Steps

As students wait to receive replies from universities it is important to be aware of the next stage in the UCAS process. Once all universities have replied students must make their **firm** and **insurance** choice via **UCAS Track**.

Firm acceptance - this is the students first choice.

- If it's an unconditional offer, the place is yours! So that course provider will expect you as their student.
- Or if it's conditional, the place is yours if you meet the offer conditions. So just in case you don't, you can pick a second offer as a backup - your insurance acceptance.

Insurance acceptance - the back-up choice to a conditional firm acceptance.

### Deadlines to be aware of:

If a student receives their last decision on or before 19 May 2022, the reply date is 9 June 2022

If a student receives their last decision on or before 14 July 2022, the reply date is 21 July 2022

For further information and guidance on replying to offers please see Mrs Pedley or click on the link below:-

## Well Done to our Sixth Form Football Team

Wednesday night's result was Streetly Academy 2 - 4 Windsor High School & Sixth Form.  
Goal scorers: Luke Fletcher x 3 and Callum.

Well done to all our players.

## Well Done to our Sixth Form Netball Team

Thank you to all our netball players for their continued commitment to the team.

Players were Betsy, Noor, Laura, Rachel, Taiya and Ella. Player of the match - Betsy.  
Also thank you to Lucy and Tilly who were not able to make the game.

## Lincoln Live Lounge - Budget Bootcamp for University

Students are invited to join our Lincoln Live Lounge on **Monday 7<sup>th</sup> March** at 4pm for a masterclass in student budgeting.

Connect with our expert staff in this live, interactive online event designed to help prepare university applicants for making the most of their finances while studying, from tips on paying for accommodation, to weekly planning for grocery shopping and socialising.

We will also be joined by current University of Lincoln students who will give the lowdown on how they budget and where they allocate their funds, plus their top tips and recommendations on how to take advantage of student discounts available for retail, restaurants, and more.

Join online on [our website](#) or follow the discussion on [YouTube](#) or via your favourite social media channel to ask any finance-related questions and interact in real-time with our expert panellists, student guests, and audience members.

### Online Subject Taster Lectures

Taster lectures are a great way to get a flavour for a subject at university level. UEA runs an ongoing programme of taster lectures throughout the year.

Upcoming sessions include:

15<sup>th</sup> March - Economics

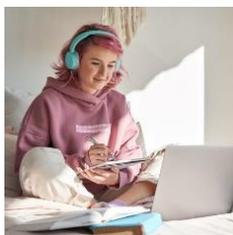

17<sup>th</sup> March - Politics

21<sup>st</sup> March - Philosophy

24<sup>th</sup> March - Marketing

29<sup>th</sup> March - Computer Science

### Could you get a University Scholarship?

Now that you've submitted your UCAS application, make sure you are aware of the scholarships that could be available to you and how to apply for them. These do not need to be repaid and most universities offer a range of scholarships that you can apply for based on factors such as sporting, musical or academic achievement.

For example, UEA's Bright Spark Scholarship provides £3,000 if you get a high grade in pre-university research project such as the EPQ or Extended Essay.

## Pembroke College, Cambridge

Pembroke College  
Cambridge

### Arts and Humanities Summer Residential

In July this year Pembroke will be holding our annual, week-long, residential for state school students who are currently in Year 12, and who are considering studying an Arts or Humanities subject at university. The event will take place from 4<sup>th</sup> - 8<sup>th</sup> July 2022, and is free of charge for successful applicants.

Check out our website for further information, including eligibility criteria and application details at [www.pem.cam.ac.uk/yr12summerschool](http://www.pem.cam.ac.uk/yr12summerschool).

### Cambridge Information Sessions

We are holding a series of webinars for prospective students, giving students in Year 12 state schools the chance to find out about Cambridge, and 'meet' current students, without having to travel to the city. These will be taking place in the evenings across the course of the year. More information, including dates and how to book, can be found on our website at [www.pem.cam.ac.uk/yr12infosession](http://www.pem.cam.ac.uk/yr12infosession).

## Levelling Up: Free online tutoring for Sixth Form students from the University of Birmingham

Levelling Up is a free academic and pastoral support programme targeted at students who are aiming to study chemistry, physics, maths or materials science at university. It also prioritises students from disadvantaged backgrounds or who are currently underrepresented in their subject at undergraduate level.

UNIVERSITY OF  
BIRMINGHAM

Participants in the programme will experience a regular calendar of online small group tutorials with current undergraduate and post-graduate students over an extended period of time (April 2022 - March 2023). These tutorials will support their A level studies by focussing on particular parts of the curriculum and also help them prepare for university application at the University of Birmingham (and other universities). The programme is being jointly run in collaboration with a range of other universities and the Institute of Physics.

Information about eligibility for your students and a link to an online application form is here: <https://www.birmingham.ac.uk/university/colleges/eps/outreach/events/levelling-up-scheme.aspx>

## Applications Now Open for Student Finance

### The student finance application service is now open for students starting university in 2022/23

Applying for student finance is an important step in preparing for university and we encourage all students hoping to start this autumn to apply as soon as possible to ensure funding is in place for the start of their course. It's easy to apply online. Students just need to visit the [Government website](#) for more information and to begin their application. If your students need specific help or advice on the funding options available, they can speak to our friendly advisors in our Student Support Centre by emailing [studentsupport@lincoln.ac.uk](mailto:studentsupport@lincoln.ac.uk).
